

myCOREformance™ TRAINING COURSES

Build value into the foundation of your organization's employee performance improvement initiatives by providing the skills you need to build stellar employees

How to derive the maximum benefit from your organization's human capital? Simple: build maximum value into your training.

TBD Consulting offers powerful courses that build incremental value into your organization:

PROCESS MAPPING

Teaches your documentation personnel the foundational techniques needed to successfully create process map of key tasks.

DOCUMENTATION

Interactive, instructor-led course that delivers the essential tools needed to successfully document key procedures in your organization. The result: consistent, accurate documentation that helps your employees work at peak efficiency.

INSTRUCTIONAL DESIGN

Focuses on instructional design techniques that maximize workplace performance. Let TBD Consulting teach you how to upgrade your eLearning and traditional classroom curriculum.

FACILITATION

Enables your training professionals to increase your employee engagement and process effectiveness. Participants learn how to incorporate effective delivery methods to increase the transfer of learning into job-related performance.

People, Process, Technology & Training Reinforcement

LEARNING ASSESSMENT DESIGN

Teaches you how to use questions to significantly increase the adult learner's ability to accurately retrieve critical information and ultimately improve business results.

4 DISCIPLINES OF LEADERSHIP

Through a blend of theory and hands-on activities, this course is designed to guide new leaders step by step to plan and execute leadership routines that translate into established and effective habits that enhance your bottom line.

ADVANCED COACHING FOR LEADERS

Enables leaders to guide and motivate in a way that results in sustained change. This course provides training that will help mid-level leaders take a more strategic approach to coaching and motivating the managers who report to them. You will see immediate, positive ROI from your training investment!

CLASSROOM TO VIRTUAL DELIVERY

Allows participants to explore the pros and cons of Reshaping classes into a virtual format and discover the elements critical to successful transformation.

ABD SOFTWARE

Shows you how to use the Arrangement by Design® (ABD) software to create procedures, policies, training materials and reports that effectively, concisely and clearly convey information.
